

Whitby Heath Primary School

Excellence in a Caring Community

Home Learning Policy

Policy written	October 2020
Approved by Governors Signed	October 2020
To be reviewed every two years	October 2022

OVERVIEW

The COVID19 pandemic has placed this school, its governors, staff, parents and pupils under considerable strain as they try to provide an appropriate education. This policy sets out the strategy that the school will use in the event of it having to send pupils home due of outbreaks of infection. For pupils needing to work at home and those who are isolating, the school will do all that it can, within its resources, to ensure that they can learn successfully at home. The school will follow the latest advice provided by the DfE if and when it needs to enact the intentions set out in this policy.

INTENT

Every child at Whitby Heath Primary School has access to a curriculum designed to excite and engage allowing them to reach their full potential and move forward together with hope.

1. The school will do all that it can, within its resources, to ensure that those pupils who are isolating from school or have been sent home because of outbreaks of the virus, can continue to learn successfully at home.
2. The school will use its website, class pages, Seesaw and other appropriate means to communicate with parents, to keep them informed and to offer guidance about how they can support their pupils' remote learning.
3. The school will export the curriculum into pupils' homes by teachers and staff setting appropriate tasks and by supporting learning in every way it can within its available resources.
4. If an entire bubble or the whole school is isolating due to an outbreak, the school will endeavour to provide the following:
 - Daily English and Maths work on Seesaw, which may link to work on Mathematics
 - Weekly topic work on Seesaw
 - Weekly times tables/number practice on Seesaw
 - For children in Reception, work on Seesaw will vary but will still be uploaded daily
 - Regular personalised feedback to be provided for work completed on Seesaw
 - Regular recordings of the class teachers modelling work, teaching new concepts or reading to the class to be uploaded onto Seesaw
 - If individuals are isolating whilst the rest of the bubble remains in school, work will be set on Seesaw. Contact with parents/carers will be made by the class teacher within 48-hours of isolation beginning via Seesaw or telephone. Further support will be offered as necessary.
5. The school will follow the DfE, school and LA guidelines for making provision for the continuing safeguarding, care and support of all pupils, especially those who are vulnerable.
6. The school will make every endeavour within its resources, to offer appropriate support to those with SEND and ECHPs through parents having the facility to have direct contact with class teachers via the dedicated class email account.
7. It will liaise with appropriate agencies to maintain the specialist support that some pupils may need.

IMPLEMENTATION

1. To maintain teaching and learning of the curriculum the school will provide pupils with appropriate tasks and work to carry out at home.
2. The school website and class pages will be used to direct parents to approved sources where they can find

- appropriate, high quality learning materials to support their children's learning.
3. Where homes and pupils do not have access to computers or the internet, alternative strategies will be used so that those pupils are not disadvantaged such as providing children with paper copies of the work.
 4. Where they cannot be provided by the pupils' homes, the school will do its best to provide appropriate materials and the other essentials necessary for pupils to learn e.g. paper copies and workbooks.
 5. Teachers will maintain regular contact with their pupils so that they can support learning.
 6. The school will follow the DfE, LA and school guidelines and make appropriate provision for the continuing safeguarding, care and support of all pupils, especially those who are vulnerable via pastoral safe and well calls
 7. The school will do all that it can will within its resources, to offer appropriate support to those with SEND and ECHPs.
 8. The school will remain available to offer help and advice to parents who request support with the provision of learning at home.

IMPACT

This policy sets out the intent and broad guidelines that will underpin the school's actions if there is a need for pupils to work remotely and remain at home due to an outbreak of CV19 or in the event of a local or national lockdown. The working details of the policy will be devised at the time of need so that they can address the particular circumstances of that emergency. The prime intention of the school is that pupils will continue to be educated on site unless it becomes unsafe to continue. If this policy needs to be enacted it is expected that all parents and the school will work together in partnership to resolve any problems that need to be overcome.
