

## Whitby Heath SEND/ additional needs Coffee Morning

You are warmly invited to our next SEND Coffee morning, a chance for you to network with other parents/carers. You do not need to have a child on the SEND register to attend, if they or the family have any additional needs that you would benefit from talking to others about, please join us!

Mrs Beach will be available to answer any questions regarding SEND or additional support.

We are thrilled that we will be joined by the Early Help Navigator team, who are able to signpost to and find support for a wide range of areas of need both for individuals and families.

We would love to get as many families together as possible to offer support to each other and help direct other parents to useful resources' they have found locally.
