

Dear Parents,

24th April 2025

We are pleased to be able to offer the children the following after school clubs this Summer Term. Please could you reply with your first choice of club and second choice (if you have one.) We will try to offer your child their choice, but in the event that we have too many replies, then places to children who have yet to attend a club at the school already. There is not a guarantee of a place as we are trying to encourage children that have not been to an after-school club yet so they will take priority and there is only a max of 20 spaces per club. Once children have committed to attend a club then we would ask that they do so consistently. If for some reason they can't attend one week or wish to stop attending then we would ask that you let the school or member of staff know. After School clubs will start week beginning 28th April and will continue until week beginning 19th May except dance. The dance club are from external staff so you will need to sign up using a link from the letter. The football club with Tom Bainbridge is a letter that you will need to sign up with that has already been given out.

Thanks,
Mr Spann
